

Youth Band To Perform For Scouts

The Torrance Area Youth Band will perform for the Boy Scout Show, "Holidays Under the Stars," scheduled for the Hollywood Bowl on Friday and Saturday nights, June 5th and 6th.

The huge show which is sponsored by the Los Angeles Area Council Boy Scouts of America will replace the Scout Jamboree which is usually held in the Los Angeles Coliseum. There are around 15,000 Scouts taking part in the production and about 25,000 persons are expected to attend each night's performance.

The Torrance Youth Band will play a 45 minute concert prior to the starting of each evening's performance and also will furnish accompanying music for some of the acts.

The Torrance group was invited by Harry J. Volk, president of the Union Bank and chairman of the "Holidays Under the Stars" committee.

Git Too Tough With Me—

STEPPED-UP SCHEDULES SET FOR TOP STUDENTS

A seven-period day for selected students in Torrance's three high schools is planned next fall, according to Dr. Albert Posner, assistant superintendent of schools. About 200 students would be involved.

At the same time, the program of sending top students to El Camino for an extra class will be continued and expanded, he said.

This spring, two North High students attended El Camino College for an extra class. More students from all three high schools are expected to attend next fall.

The seven-period day at the high schools will go into effect on a trial basis in the fall. Qualified sophomores will take one additional class per day, giving an opportunity for additional classes. A heavy number of requirements, particularly for college-bound youngsters, made it hard to crowd in all the courses students would like, Posner reported.

Students will be picked for these additional classes on the basis of a demonstration of their ability to handle the work.

May Co. Has Two-Ton Cake To Celebrate Its Birthday

With a two-ton birthday cake, May Co. yesterday celebrated 36 years in business.

It was the 12th consecutive year, however, that the firm has assembled ingredients for a 4000-pound cake.

Although bakers worked out the recipe and list of ingredients, they shied from the task of mixing and baking.

Instead, the huge pile of foodstuffs was divided—at a ceremony in the 8th and Broadway store's auditorium—among 12 Los Angeles Area Community Chest children's agencies.

Walter J. Brunmark, general manager and vice president of May Co., made the presentation. It was accepted on behalf of the children's institutions by Ernest J. Loebecke, president of the Title Insurance & Trust Co. and president of the Chest.

Two children from the Salvation Army Day Nursery at 836 Stanford Ave. were there to represent the hundreds of children who, in the next few weeks, will consume:

600 pounds of butter, 112 gallons of milk, 112 dozen eggs, 1000 pounds of flour, 1300 pounds of sugar, 24 pounds of salt, five quarts of vanilla, and 50 pounds of baking soda.

In addition to the Salvation Army Day Nursery, agencies sharing in the gift are Boys' &

Girls' Aid Society, 760 Mountain View Rd., Altadena; Convent of the Good Shepherd, 1500 S. Arlington Ave., Los Angeles; Hathaway Home for Children, 840 N. Avenue 66, L. A.; Lark Ellen Home for Boys, 6620 N. Citrus, Azusa; Maryvale (Los Angeles Orphanage), 7600 E. Graves Ave., S.
